SHAHIN MIA

MERN Stack Developer | Website designer

ABOUT ME

- I am a creative and adept web designer and developer. As per your need, I guarantee to deliver a website that is not only responsive but also interactive and dynamic.
- My front-end development skills are HTML5, CSS5, SASS, Bootstrap, TailwindCSS, JavaScript, React.js, etc.
- Similarly, my Backend skills are equally impressive, with proficiency in JavaScript, Node.js, express.js, MongoDB, Mongoose, etc.
- Choosing me means opting for a professional with a wealth of knowledge in crafting visually appealing websites. With three years of experience as a MERN Developer, I'm confident in my ability to provide you with the highest quality work that will exceed your expectations.
